("Qlik") and Customer are governed by and subject to the terms and conditions set forth in this Order Form and the Qlik Customer Agreement or License Agreement executed by the parties on March 31, 2016 (collectively the "Agreement"). the expiration of the subscription period or earlier termination of the Agreement, unless otherwise mutually agreed by the parties in writing. Subscriptions may not be cancelled in whole or in part during the subscription period.

Special Terms

Customer's maintenance fee obligations for the perpetual licenses are also terminated and the total subscription fees above reflect Customer's payment obligations following the conversion. If Customer's subscription begins before the end of its current maintenance period, Customer's initial subscription invoice will reflect a credit for any unused and prepaid maintenance fees. No further conversion for the Subscriptions or right to revert will be permitted and Customer shall not be entitled to any refund for the conversion. In the event of a conflict between the terms of the Agreement and the terms of this Order Form, the terms of this Order Form shall govern.
